Key Observations & Notes

1. Monsoon Effect: Fever medicines (Paracetamol, Crocin) and ORS sachets saw 40% higher sales in July vs previous months.
2. B-Complex Growing: Vitamin supplement awareness increasing — consider expanding this category.
3. Independence Day (15 Aug): Special discount day brought Rs 2,500 in bulk sales — consider monthly discount days.
4. High Expenses: Staff salary (Rs 12,000 x 2 months = Rs 24,000) and rent (Rs 16,000) are major fixed costs.
5. Purchase vs Sales Gap: Purchases exceed sales — need to monitor stock turnover ratio.
6. Customer Complaint: 2 customers complained about expired ORS sachets in week 3 — check expiry dates regularly.
